Jeremiah 29:11 For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope. Words have become so common, that those that are beautiful will be immortalized one day in the little know ancient art form called books.

I found you there....

Visiting Carnton Plantation here in Franklin I found the name of a confederate soldier from South Carolina who is a distant relative...and I reflected

*I found you there not all alone
But with your friends today
Fallen swayed, from beautiful home
Resting there, so, so far away
Impassioned in an honored call
Defenders from invaders rage
In stone garden found reposed
Numbered letters marked in a page
I found you there my valored kin
Forgotten, I take my blame
Barely seen through weathered days
Mourned and cared for just the same
Now the time, to remember, recall
To kin and country and to reclaim
To never again forget the cost
By the man whom bares your nam*

Charleston Shootings and historic figures.

This is a moment I wrote to a story on Yahoo News. The discussion was about Dylan Roof and another man who planned to murder white people and burn Charleston, Denmark Versey. One tragically succeeded and the other a minister of Christ failed. One is a villain to Yahoo News (and rightly so) , but one is a hero. Both are villains!

Here's the real reason there has been a push to circumcise post WW2 . It allows the Jew to blend in with the rest of society. It was easily determined in Europe if a male was Jewish because of his circumcised penis. Do as you wish, but this guy is the reason.

Scott Chapman attends [@CStonePres](#), who doesn't seem to care about a white supremacist in their congregation.

Scott loved the UniteTheRight white supremacist rally and the fear the Nazi torch rally put into minorities and marginalized communities.

He also supported the violent white supremacists when they got arrested later.
